

**Access Denied? Examining Parent Roles in Enhancing Student Development through the Study Abroad Continuum
Forum Conference, 2017**

Timeline	Prompt	Direct Response	Indirect Response
Pre-departure	How can you create more awareness for parents about study abroad opportunities and engage them in study abroad outreach efforts?		
Pre-departure	What are some ways that you might engage parents in the pre-departure advising process?		
While Abroad	How can you empower parents with the tools to be supportive of the challenges students may face during the day-to-day aspects of study abroad?		
While Abroad	How might you keep parents informed when a critical incident occurs while the student is on-site?		
Post	What might parents expect when their student returns, and how can you prepare parents to help their students reflect on their experiences?		
Post	How might you engage parents to support their students' career development/exploration post-study abroad?
