EF College Study and The Forum on Education Abroad have created a first-of-its-kind, high-impact student scholarship program, in collaboration with EF's educational partner the Nobel Prize Museum.

**The program includes:**

- An online project-based course led by distinguished international faculty-leaders;
- Travel to Sweden for an international field study;
- An immersive experience at the 2021 Nobel Week Dialogue: a collaborative event that brings some of the world's leading scientists, policy-makers, and thinkers together to explore scientific topics through a global lens;
- The opportunity to have your final project displayed at the Nobel Prize Museum at the completion of the course.

This interdisciplinary program is dedicated to including students from diverse backgrounds, and future leaders from all over the world are invited to apply!

**Application Deadline:** May 5, 2021
